## EDITORIAL LETTER.

### TO THE READERS :

From time to time we have received requests from our subscribers for a complete index to the BIBLICAL WORLD. The new series of the journal under this name began in 1893, and is now in its fifteenth volume. Some have also desired the inclusion of the old series which began in 1881, containing fifteen volumes.

We make the following suggestions regarding it: (1) That the index be published in January, 1901. (2) That it contain the titles of the contents of the BIBLICAL WORLD through its sixteen volumes to the close of this year; also, all that is of current value in the old series. (3) That the material be arranged in three sections: an index of topics, in which the contents will be classified under special subjects; an index of authors, alphabetically arranged; and an index of Scripture passages treated. (4) That the index be uniform in size and style with the journal itself.

It will give us pleasure to prepare this index if a sufficient number of subscribers can be obtained to meet the cost of its publication. We estimate that the work would make sixty-four pages, and that the cost of publication would be about three hundred dollars. This makes it necessary to secure three hundred subscribers to the index at one dollar a copy.

We, therefore, ask each reader of the BIBLICAL WORLD who wishes to purchase this index at the price named, one dollar, to write us to this effect *within one month*, permitting us to regard the letter as an agreement that the writer will receive and pay for the book when ready in January, 1901.
